

AMERICAN INDIAN SUMMER INSTITUTE JULY 10 – 14, 2022

A.I.S.I. helps you to...

Learn about different college options. Exposes participants to the three college systems, California State University, University of California, and Community College. Participants get to experience college life and gain knowledge to pursue higher education. A.I.S.I. also provides culturally relevant curriculum around S.T.E.A.M., community and more!

*Priority given to students that are Juniors and Seniors during the 2022 – 2023 academic school year.
