Go In Peace

## Art Angle

1941 - 2023

It is with heavy heart to announce the passing of

### Art Angle

Former Chairman/Council Member  
Enterprise Rancheria, Estom-Yumeka Maidu Tribe

Art was a true tribal leader whose heart served tirelessly the Native American community for decades.

Art served his country in the Korean War, he was a rancher, a logger and a trucker. He and his siblings reorganized the tribe and he served on Council for decades until his deserved retirement.

Art spearheaded the search of Ishi's brain to be found and repatriated. From stories he had heard all his life, he felt it to be his duty to put the man's spirit to rest!

Art's life brought many accomplishments but none less than serving his tribe. On Council and starting the Hard Rock Casino/Hotel Sacramento at Fire Mountain, he has provided for all peoples of Enterprise Rancheria well after he is gone!

***Art is survived by 2 brothers, 4 daughters,  
7 grandchildren and one great grandchild  
and is proceeded in death by his son***

The family will be putting Art to rest on Saturday Oct 21 with the burning and burial on Oct 22 at 11am. Services will be held at the Martin/Angle Cemetary at Creig Access Road off Lumpkin Rd, Feather Falls, California.

***We have lost a Great Man  
but gained a strong Ancestor! Aho***

Rena Angle, Lori Angle-Nguyen, Sadie Smith, Shannon Angle
